ABOUT ME

Results-driven Front-End Engineer with 1+ years of hands-on experience building scalable, high-performance web applications using React, JavaScript, and TypeScript. Skilled in crafting responsive, user-focused interfaces, integrating REST APIs, and optimizing UI/UX for speed and usability. Proven ability to collaborate with teams and deliver clean, efficient solutions in fast-paced environments. Successfully completed multiple real-world projects that exceeded performance and design expectations.

EDUCATION

Intermediate in Computer Science (ICS) (under progress)
